## THE STATE OF HOMESCHOOLING IN KANSAS

There has been a lot happening in Topeka concerning education. Some of which could affect homeschooling. TPA does their best to keep you informed through our newsletter and email when we hear about legislation that you should be aware of. We are in contact with HSLDA, CHECK and Kansans Against Common Core who help explain what is happening in our local, state and national governments. Many

homeschool families are also very active in efforts to keep our educational freedoms, and we appreciate their information and actions on behalf of all families.

Kansans Against Common Core has been very busy concerning House Bill 2292. Below is information provided by them concerning their efforts:

“It does not take a majority to prevail, but rather an irate, tireless minority keen to set brushfires of freedom in the minds of men.” --Samuel Adams

Parents, can you help us make this the year that Common Core gets kicked out of Kansas? HSLDA has warned us about the dangers of Common Core and have already intervened in cases where the “authorities” had tried unsuccessfully to implicate parents in wrong-doing, because their homeschool instruction wasn’t Common Core-aligned! Kansans Against Common Core (along with Campaign For Liberty-KS Group) have HB (House Bill) 2292 in the House Education Committee right now. HB 2292 repeals Common Core and all aligned testing and standards, such as the “National Sexuality Education Standards” and the “Social, Emotional, and Character Development Standards.” It prohibits any further funding for Common Core. The window of opportunity is narrow here—just a few weeks—and the legislative session will be over. Can you commit to making 3-5 calls a couple of times a week? Do your calls when you check your email and then go about your day, knowing that you did your part to kick Common Core out of Kansas!

There was a great turnout at the rally in Topeka, great speakers in support of HB 2292 – including Dr. Mary Byrne and Ze’ev Wurman, and there were over 60 written testimonies submitted in support of HB 2292. The House Education Committee heard the proponents of HB 2292 first, and then listened to the opponents. No vote was taken in committee, and we do not have a scheduled time or date when/if that will happen – so please, keep emailing, calling and writing the House Education Committee, your own representative and senator, and Governor Brownback... NOW is the time to STOP COMMON CORE in Kansas!

Homeschool mom Nellie Meyers shared the following with TPA:

Our daughter, Hosanna, (24), 9th child of our 12 homeschooled children, testified at the hearing today. She had a very short "to the point" testimony, first quoting Hitler saying that regardless of what the parents opposed, the children already belonged to him in "the new camp." She compared the "top down" education decisions that her Jewish grandmother had survived, as being the same as today's education model. Grandma Myers emigrated to America in 1948, but has seen such decline in America that she sees how similar it is to the Third Reich in every way.

Hosanna's testimony was quoted in the Lawrence World Journal.

Ironically, after the hearing an elderly man with a slight accent began to question Hosanna outside the committee room. That man had grown up belonging to the Hitler Youth! Without realizing that he was "proving" Hosanna's point that Hitler's youth belonged to Hitler's ideas, this man began to argue how necessary it was that we have the standardized Common Core, and gave his reasons. One of Hosanna's sisters noticed this and very deftly turned the subject to a slightly different topic. In the end, the man listened to that sister when she herself answered one of his questions, and pointed out a good reason NOT to have Common Core; he said he could see her point! This man is married to one of the female OPPONENTS of HB 2922.

Other proponents of HB 2922 to repeal Common Core also had very good testimonies, and were from a variety of qualified areas within the general population. On the other hand, almost every opponent of HB 2922 was a public school official in a high position, or was very much affiliated with the public schools in some direct capacity. They did not represent the general population at large.

Please ask the committee members to pass HB 2922 without amendments to completely repeal Common Core. The chairman of this committee is quite favorable to passing HB 2922, as are several others. The Senate has in the past twice passed a repeal of Common Core, but the House has not yet passed a repeal.

Common Core is not the only education issue being discussed. The Senate forwarded to final action votes Thursday, February 26, 2015, bills that would allow home-schooled children to participate in school sports and other activities regulated by the Kansas State High School Activities Association. The home-school activities bill would require school districts to allow the non-public school students to participate in sports and other extracurricular activities. The bill was amended in the Senate Education Committee to require the students to meet KSHSAA age requirements. This bill is commonly referred to as a "Tebow Bill".

TPA was in Topeka on February 19, 2015, and we were approached by a representative from western Kansas. He asked if there were any families there who were from his district so he could find out what they thought about SB 60. This is what we have heard from many other representatives – they want to know what you think! Thank you to the families who have taken the time to contact their representatives! Your opinion really does matter.

### **2015 TPA Convention – Excellence Together!**

A few years ago we started a new program on Thursday night just prior to convention for those who were new to homeschooling or were considering homeschooling. This evening workshop was to provide information, support, encouragement and answer questions about homeschooling. The Starting Point workshop has grown every year to the point we had to move it to the main keynote room to handle the volume of attendees. TPA has been watching these numbers at convention and in our 101 classes and seen a large increase in those who are considering homeschooling or who have preschoolers that are exploring homeschooling. We understand that parents are looking for the best choice for their family and with all the options that are open now: public school, private school, classical school, virtual school, on-line school and traditional homeschool, it can be very difficult to know what to do. TPA believes that traditional homeschooling is the BEST option for families today. For more than 30 years of our homeschooling convention TPA has been providing resources, education and support to homeschool families for both those who have been educating for years and those just about to start.

This year we want to open our doors to those who are thinking about homeschooling and invite them to check out what homeschooling is all about at our convention. If you or someone you know are considering homeschooling we believe we have a great opportunity to find out more about homeschooling at our convention. What better way to explore homeschooling, ask questions or look at resources than at a homeschool convention! You can meet experienced homeschoolers at the Homeschooling Mentors table near the TPA booth, attend workshops centered around younger learners and getting organized sessions to get started on the right foot. You can ask the difficult questions at the Starting Point class, rub elbows with other parents and check out resources in the vendor hall. So, to get those who are still on the fence out to see what it is all about - this year we are offering anyone who has never attended our homeschool convention or if your children are preschool age or younger free registration. Yes – free. We have never offered this but are feel that once you hear the experts, meet kids who are currently homeschooled and find out just how much support is actually out there for parents that you too will know how doable homeschooling actually is. Be sure to register on-line at [teachingparents.org](http://teachingparents.org), 'convention' before April 1 to get the registration discount!

## TPA SPONSORED EVENTS:

### ITBS TESTING

TPA will be offering the ITBS test to 1st-12th graders again in 2015. This is a standardized test which is not required by the government but may prove helpful in assessing a student's strengths and weaknesses relative to his peers. The results are for parental use only and are not given to any other entity.

Testing takes a full day (8:30 until around 4:00) and includes Vocabulary, Reading comprehension, Spelling, Capitalization, Punctuation, Usage and Expression, Math Concepts & Problem Solving, Math Computation, Social Studies, Science and (for high school only) Sources of Information. The test results show where a student falls in national percentiles and grade equivalents for each subject.

Student last names beginning with A-L will test on Thursday, March 26 and M-Z will be on Friday, March 27 from 8:30- 4:00. Testing will take place at Countryside Christian Church, 1919 S. Rock Road. Cost is \$30 per student (\$25.00 for those who have purchased a TPA membership). **Registration is open until March 1, 2015.** The registration form can be found on the TPA website, [teachingparents.org](http://teachingparents.org), and you can register on-line. Questions may be directed to Jennifer Hager, [hagers6@sbcglobal.net](mailto:hagers6@sbcglobal.net)

### TPA USED BOOK SALE

The TPA Used Book Sale is scheduled for May 15, 2015, at the Sedgwick County Extension Center. **Table reservations begin on April 15.** Information on how to register will be listed on the TPA Website. NO table reservations are accepted until April 15.

### PAGE VOLUNTEERS NEEDED FOR TPA CONVENTION

Do you have a high school student that is interested in getting leadership experience along with volunteer hours? TPA is asking for volunteers for the 2015 Homeschool Convention to help as Pages on April 17th and 18th with a training party in April. Sign up by March 1st at <http://goo.gl/1pSPcj>

### ADVENTURES IN CHARACTER

2015 TPA Convention

STONEBURG: God's love in unlikely places

An exciting adventure awaits as we join the Jones family in their calling to share the gospel of Jesus Christ in a country that is cold and hard. Whether dealing with conflicts within – personal fears, doubts, and temptations – or conflicts without – family relationships, deceptive friends, and persecution – each member of the family is on a journey to know and experience the love of God like never before. In their small groups, AIC students will be led to explore key events in the Bible from a new perspective – learning both in history and in our own lives to recognize God's love in unlikely places.

Children ages 6-12 are invited to participate as students in AIC. (Young people 13 and older who are interested in receiving training and helping with drama or teaching should contact us at [recruitment@adventuresincharacter.com](mailto:recruitment@adventuresincharacter.com) AIC runs concurrently with the adult portion of the TPA convention to enable entire families to attend the convention together. Our goal is to come alongside parents to instill the principles of God's Word in the lives of the next generation. Please visit our website at [www.adventuresincharacter.com](http://www.adventuresincharacter.com) or contact AIC Director, Natalie Weber at [director@adventuresincharacter.com](mailto:director@adventuresincharacter.com), for more information.

### REGISTRATION IS OPEN FOR THE 2015 TPA CONVENTION! *Excellence Together!*

To register on-line simply go to our home page and click on the banner that says 'Convention'. New this year TPA is offering free registration for anyone who has never attended a TPA Convention before, and anyone who is a parent of preschool children (your oldest child should be five years old or younger).

Under the 'Convention' tab be sure to check out the list of vendors who are coming to share with you the great resources they have. You will also find the workshop schedule so you can plan which workshops you would like to hear.

***The early registration discount is only until April 1 – so register today!***

## AREA EVENTS:

**Writing Coach** - Can your student write? Whether your student has a love or hate affair with writing in your homeschool, A Time 2 Write Coaching is here to help. Rather than take a one-size-fits-all approach to teaching your student to write well, your coach tailors each weekly assignment to meet the individual student's needs. Assignments are sent back and forth each week via email, and your personal writing coach is available daily to answer any questions. Thorough feedback is given on every assignment. A Time to Write charges a fixed rate of \$40 a month.

What does the A Time 2 Write Course involve?  
Writing mentorship for homeschool students ages 10-18

A weekly writing assignment, tailored for your student

Creative writing program

Essay writing program

Daily email access to your personal writing coach

Summer coaching programs

Flexibility about breaks

Personalized critique of student's work

Confidence in communication

Frees up homeschool moms to teach what they love

Your personal Writing Coach Abigail Prigge is a homeschool graduate and college student. Writing has been a part of her life for as long as she can remember, and she loves mentoring students in their writing skills. She is the author of *One Summer's Desire* and co-author of *Charlotte's Hope*. Abigail would call herself graciously blessed, crazily prone to blonde-moments, and terribly imperfect—but most importantly redeemed by the Lord Jesus Christ. ## KANSAS AVIATION MUSEUM

### HOMESCHOOL DAYS

March 27th: Living History

· It is important to pay respect to the pioneers of aviation! Students will learn about aviation history and engineering via speakers that experienced the heyday of Wichita Aviation in the 1950's to 1980's. This session is recommended for 5th to 12th grade level students

April 17th: Glamorous Side of Aviation

· This fun workshop illustrates the glamorous and not so glamorous sides of aviation. Participants will learn about aviation companies and their histories in the United States. They will also form teams and enter our "Glamorous Aviation Challenge," testing their knowledge and seeing if their company would be successful in today's world.

May 22nd: All About Air

· This homeschool day is all about air and its principles. Students will complete hands on activities while learning about high and low pressure. They will also explore the property of air and how it is important to airplanes and aviators.

Cost: MEMBERS: STUDENT \$7 / ADULTS FREE

NON-MEMBERS: STUDENT \$9 / ADULTS \$7

TIME: 10AM TO 2PM

You must register one week prior to the homeschool day. If we don't get ten students per session, we will cancel the session! You can contact Cory Fuqua by telephone (316) 683-9242 or by email [coryfuqua@kansasaviationmuseum.org](mailto:coryfuqua@kansasaviationmuseum.org) to register or ask any questions that you may have.

Cost is \$25 if you sign up before March 28th, \$30 before April 11th, or \$50 until April 18th. This is NOT the same event as the Prom Alternative held on the same night. Homeschool Prom is for homeschooled high school juniors and seniors and their guests. For more details, registration information or inquiries as to how you could help with prom, join our Facebook group: Wichita Homeschool Prom 2015 or email your questions to [Wichitahsprom@yahoo.com](mailto:Wichitahsprom@yahoo.com)

**CHFM** is looking for a high school English instructor (literature, composition & grammar) beginning Fall 2015. Our classes meet on Mondays and Wednesdays for 16 weeks in the fall and spring semesters.

If you have questions or know someone who would be interested and qualified to teach a class like this, please contact Susan Warner at [kswarner5@sbcglobal.net](mailto:kswarner5@sbcglobal.net) or 316-516-1262.

### SUZUKI Violin Lessons Suzuki Violin Lessons

My name is Valerie Chouinard, and I am a mom to four children whom I homeschooled for eight years. Educated at the Conservatory of Music at UMKC, I have taught violin lessons for ten years and am passionate about helping every child learn. Musical talent is not in-born, but can be learned by anyone! I accept students ages five and up and am located near 235N and Meridian. Tuition includes weekly lessons and a monthly group lesson where we play games to learn music theory, play songs together, and perform for one another. Two recitals a year are given for family and friends. Please contact me for more information at 316.689.0378 or [valeriesue92@gmail.com](mailto:valeriesue92@gmail.com).

### WICHITA WARRIORS

Warriors Track - Well, it is that time of year again - time for all those runners and jumpers to get ready for a great track season!! The Wichita Warriors would like to invite all homeschoolers interested in track to join us for another great season. Our track program is for boys and girls 5th grade through 12th grade. We have an excellent schedule that includes mostly public school meets and some Christian school meets. Remember, one of the great things about track teams is NO ONE sets on the bench!! Everyone gets to participate. If you are interested in joining Warrior Track, contact Kenny Collins at [wichitawarriors8@sbcglobal.net](mailto:wichitawarriors8@sbcglobal.net)

Warriors Girl's Soccer - Spring means girl's soccer (boy's is in the Fall)! We are expecting another great season and are looking for homeschool soccer players to join us for lots of fun, fellowship and competition! We will field a junior high and high school team. Girls grades 5th through 12th are welcome to come join us. If you are interested or have questions, please contact Kenny Collins at [wichitawarriors8@sbcglobal.net](mailto:wichitawarriors8@sbcglobal.net).

Warriors Golf - The Wichita Warriors will field a high school golf team again this year. We are excited and hope to expand our numbers. We are looking for boys and girls 8th grade and up that are interested in golf. If you would like to join us or have questions, please contact Kenny Collins at [wichitawarriors8@sbcglobal.net](mailto:wichitawarriors8@sbcglobal.net)

**Warrior Elementary Basketball**

The Wichita Warriors will be starting our elementary basketball program this year on the second Wednesday of March. It will run through the end of April. This program is for boys and girls ages 6-11. We focus on fundamentals and mix in drills, demonstrations and games. It is a great time for all the kids. We have been running around 40-50 kids in the program. If you are interested or have questions, please contact Kenny Collins at [wichitawarriors8@sbcglobal.net](mailto:wichitawarriors8@sbcglobal.net)

Church Sanctuary for Rent - We have a wonderful church sanctuary for rent that should be available around March 1. It will seat 600-800, has sound and lighting and is very centrally located. If you are interested, please contact Kenny Collins at [wichitawarriors8@sbcglobal.net](mailto:wichitawarriors8@sbcglobal.net)

School Classrooms Available - We have a number of school classrooms available for rent at a reasonable price. We are looking more for long-term type events, but would be willing to work with any homeschool group on short-term needs also. The building is very centrally located just across from Newman University. If you are interested, please contact Kenny Collins at [wichitawarriors8@sbcglobal.net](mailto:wichitawarriors8@sbcglobal.net)

**GUITAR LESSONS**

Instructor: Malachi Million.

Objective In guitar lessons, the student will learn the following:

1. The basics of the guitar (the name of the strings, notes in first position, names of the parts of the guitar).
2. The fundamentals of music theory (rhythm, notes of the treble clef, note and rest value).
3. The ability to pick notes, strum and hold chords all in first position

Materials: Hal Leonards Complete Guitar Method Procedures

Private Lessons:

1. Students will come to each lesson with guitar (acoustic, electric or classical) and lesson material given from the previous lesson.
2. A folder is recommended to keep lesson material.
3. Student is expected to pay attention during the lesson.

Durations

Private Lessons: 30 minutes or 1 hour

Rates

Private Lessons: \$10 dollars for 30 minutes or \$15 for an hour

About the Instructor: I have been playing for 10 years primarily beginning with rock where I developed my playing technique before taking lessons to progress my playing ability. Under Michael Massons at Airhouse Music Academy I further developed my playing skills and technique studying theory and jazz. Currently, I am earning a Bachelor degree in Guitar Performance from Friends University where I study jazz guitar under Randy Zellers and classical under Howard Glanton. I will graduate in May with honors and will attend Graduate School while pursuing a Masters degree in guitar performance. I am participating in the jazz ensemble, guitar ensemble and concert choir at Friends while still performing in local music around Wichita with various musicians and the Marybeth Quintet.

**iCan Bike – Wichita for 2015**

Enrolling campers now. iCan Bike is more than just a bike-riding program. For many children with disabilities, it's a seemingly impossible task they typically master in less than a week's time. Within days, many children exhibit independent behaviors for the first time ever. This achievement, in turn, creates a gateway of opportunity, helping them gain assurance and self-reliance in many other aspects of their lives. iCan Bike, a program that teaches children and adults with disabilities to ride conventional bicycles without training wheels, is taking applications for its 2015 camp. The camp will take place July 13-17 at the Wichita Ice Center, 505 W. Maple Street. Five camp sessions are scheduled to take place over five consecutive days, which can accommodate a total of 40 campers.

For more information or to obtain an application, call 942-6300 extension 232; or download an application at [ilrcks.org](http://ilrcks.org). Check out our videos on our website. They tell a good story of the camp and its progression. Applications and payment must be received by June 20.

### CHEERLEADING

Anyone interested in private or group cheerleading lessons to get ready for tryouts contact Jaime Harder at 316-734-3802. Private lessons \$12.50 for 30 minutes and \$25.00 for 1 hour, group lessons \$37.50 for 30 minutes and \$75.00 for 1 hour (4 member group maximum). Parents are welcome to accompany students. I cheered for the homeschool Warriors and continued cheering at Wichita State University for 3 years. I have also judged tryouts for area high schools and all star teams.

### CHARLOTTE MASON DISCUSSION GROUP

When many people hear the name Charlotte Mason they often think “living books”. While this certainly is part of a Charlotte Mason education, there is so much more! Did you know Charlotte Mason was a devout Christian, and she taught that the Bible was the ultimate living book? Did you know that she also taught that habit training was the foundation of all education?

Come join our Charlotte Mason Discussion Group as we grow together and learn more about how to apply the wonderful and life enriching principles she used to educate children. Currently we are going through the DVD series Learning and Living by Sonya Shafer of Simply Charlotte Mason. We have discussed the power of good habits, narration, making geography meaningful, nature study, and many others. Send an email to [charlottemasonwichita@gmail.com](mailto:charlottemasonwichita@gmail.com) if you would like to join our group.

### TRACK & FIELD OPPORTUNITY

The Wichita Area Homeschool Athletic Association (Warriors) will be starting their track season for middle and high school students in March. They will practice Monday, Tuesday and Thursdays in Andover. There are multiple events to try (high jump, long jump, hurdles, shot put, discus, relays, sprints, long distance, etc.) so come enjoy a little outdoor competition while getting in shape and making new friends! The season runs from the first week of March to the first week of May. A parent meeting will be held Tuesday, March 3. If you would like more information, please contact the coaches: John Murphy [jmurphy41@cox.net](mailto:jmurphy41@cox.net) (high school) & Brian and Christy Newport [christynewport@sbcglobal.net](mailto:christynewport@sbcglobal.net) (middle school).
